

Al Moudir Office Building Zardman Group

EDESSA CONSTRUCTION has been awarded by the Zardman Group the construction of the Al Moudir office complex located in Jal el Dib, Lebanon. The project includes over 15,000m² of built up area distributed over two basements and nine aboveground floors. The first phase of the project is to deliver in 8 months the building in the form of a core and shell with the finishing works to follow subsequently.
