

# Architectural Assessment – Old Souk Massawa, Eritrea

EDESSA was retained by **Qatari Diar** to conduct an architectural and structural evaluation of the old covered bazaar in **Massawa, Eritrea**.

The Bazaar district represents the “heart” of Massawa Old city. It is an entire bustling neighborhood and is not limited to the main covered street. It is one of the most heavily inhabited areas and where a number of shops still function. Renovation of the bazaar would be of great urban value.
