

# PM/CM Four Point Sheraton Hotel Tartous, Syria

EDESSA was retained by the Danial Group to provide PM/CM services (Project Management/Construction Management Services) for the design and construction of the Four Point Sheraton Hotel in Tartous, Syria.

The design of the project was coordinated between the various design trades and specialists. The project required logistics coordination as the site is in Tartous, the owner in Damascus and most consultants and designers are in Beirut.

The preparation of the design and tender documents is now complete. The Shoring works has been awarded and completed. The excavation contractor has been designated and the contract signed.

The project now awaits the final decision regarding the general contractor who will execute the civil, electrical and MEP works and complete the finishing in accordance with the design.
